This year, on 'World Environment Day 2023', Chalet Hotels recycled 1.7 tonnes of plastic waste as a part of our contribution towards 'Solutions to plastic pollution'.

The Westin Mumbai Powai Lake, The Resort Mumbai, and JW Marriott Mumbai Sahar teamed up to #MoveWell and make the planet #FreeWell. The associates of all three hotels participated in a beach clean drive and a wellness run, 'Run & Plog' by the beach.

## Beach Clean up

The Westin Mumbai Powai Lake went green for the day with EV fleet that chauffeured guests in environment-friendly electric vehicles to reduce carbon emissions.

With an EV charging station in its premises, the hotel has been able to keep its commitment towards nature to make a greener future.

## At Bengaluru Marriott Hotel Whitefield, celebrations included

- Eco-friendly gifts as a token of appreciation, such as seed bombs, plantable pens and a heartfelt note with seeds, accompanied by a gratitude message for all the esteemed guests
- Various displays across the hotel to spread awareness on World Environment Day

## For the associates of Bengaluru Marriott Hotel Whitefield,

---

- A special sustainable food menu was curated
- Quiz on fascinating facts about environment was organized as a part of the activity

## At The Dukes Retreat, Lonavala

---

The passionate team of associates together cleaned the roads leading to Monkey Point, a tourist place at Khandala.

## Four Points By Sheraton Navi Mumbai, Vashi

- Inaugurated Herb Garden on the World Environment day at the Four Points Café – Wrapped
- As a token of appreciation, gifted cloth bags to guests to encourage them to minimize the use of single-use plastic

## The associates at Novotel Pune Nagar Road

---

- Collected plastic waste in the biodegradable bags with the help of Team Miracle and Ruda Foundation. This plastic waste will be further turned into polyfuel through Pyrolysis\* process.

*\*Pyrolysis involves heating plastic in an oxygen-free environment, causing the materials to break down and creating new liquid or gas fuels in the process.*

## The Westin Hyderabad Mindspace

---

Distributed a Basil Seed bomb to all its in-house guests in order to serve the planet earth. Seed Bombs are a blend of soil and seeds that makes it incredibly easy to distribute seeds and bring flowers to unexpected and wasted areas. Also known as Earth balls, the medium used to make these can include humus or compost.

# Chalet Hotels Limited, Corporate Office, Mumbai, celebrations included

- Gifting DIY Kits - Grow Your Own 'Vertical Garden' to associates that goes with the theme of this year, #BeatPlasticPollution
- Associate engagement activities such as video showcasing on Mother Earth - planet conservation, followed by a quiz based on World environment Day, Pictionary game and 'best out of waste' competition

## The Single Pocket Package

Includes 1 Coconut Pot and 1 Seed Pack, among everything else

The Single Jute Vertical Pocket, with the option of personalising with messages and your company & brand logo

Filled with determination and joy, we honoured this World Environment Day & Global Running Day with a RunWestin Eco-run followed by a Beach Cleanup.

We at The Westin Mumbai Powai Lake partnered with The Westin Mumbai Garden City, The Resort Mumbai and JW Marriott Mumbai Sahar, to unite all the wellness enthusiasts and eco-conscious individuals in our pursuit of a better tomorrow. Together, we ran towards sustainability by promoting clean beaches and green footprints.

This World Environment Day, Chaletians were gifted 'Grow Your Own Vertical Garden' DIY Kit that goes with this year's theme, [#BeatPlasticPollution](#)

The celebrations commenced with a captivating video showcasing the importance of conserving Mother Earth, followed by an engaging quiz centered around World Environment Day. Next on the agenda was an exciting game of Pictionary, adding an element of creativity and fun to the event. Finally, the day culminated with a spirited 'Best Out of Waste' competition, encouraging participants to showcase their resourcefulness and eco-friendly practices.

[almitrasustainables](#) Our vision this year is to see more and more living roof tops, backyard food forests, green and food bearing balconies and crop rich community areas. Even small zones can be converted into thriving and useful green zones , this is a small herb garden set up that we implemented for our ever welcoming sustainable partners [@fourpointsnavimumbai](#) , we look forward to see more and more of such approaches and hope we will soon do away with our excuses of "limited or no space".

Cheers to our team who made this from scratch, DIY happens to be our forté 😊

Wish you All a Green and Peaceful World Environment Day...let's start soiling our hands soon ❤️😊
