**Seventh HAI Hand
Hygiene Day : May 05,
2021**

HAI | IHCL | Hand Hygiene Day : May5th, 2021

- IHCL Hotels across India participated in Initiative by HAI to create public awareness about the importance of frequent washing of hands in promoting community wellbeing through prevention of respiratory illness, common cold, influenza and other infections.
- Our curated program for this initiative :
 - Community reach out – interacting with NGOs to educate young children
 - Donating soaps and toothpaste/ brushes too NGOs
 - Raising awareness with hotel empaneled vendors
 - Employee Poster Making
 - E-Quiz with employees and their family members
 - Display of key messages through internal digital display : posters/ videos
 - Engaging employees through interactive games like 'hand-wash marathon relay'
 - Discussion of Hand Hygiene importance in all departmental briefings
