

HAI ' S OUTREACH - COVID 19 PANDEMIC -RELIEF MEASURES

30th April 2020

Hotel Association of India has been interacting with the government at various levels to seek relief and stimulus packages for the survival , revival and thrival of the hospitality industry that has been the most adversely affected by the COVID pandemic.

The Association has represented industry issues at the highest level with the Hon'ble Prime Minister and also written to State Tourism Ministers, NitiAayog, COPU; Parliamentary Standing Committee on Tourism; RBI and the Hon'ble Minister for Power & Renewable Energy.

In addition HAI has been working closely with other Industry Bodies like FAITH; CII; FICCI and WTTC to amplify the impact of COVID 19 on hotels.

Announcement of a relief package by the Central Government for tourism & hospitality sector is expected shortly going by media reports.

HAI members can be assured of the Association's committed efforts in securing the support required by them for revival and subsequent growth of hotel business.

A copy of HAI's letter to Honourable Prime Minister Shri Narendra Modi may be viewed [here](#).

HAI's latest presentation sent to the policy makers to highlight the plight of the industry, requesting specific relief measures while citing examples of the initiatives taken by some other countries to save tourism may be viewed [here](#).

Stay safe & healthy
