Walk for a cause

"If you save the environment, the environment will save you."

- Team Udaivilas gave their bit to the local community on 5th June, 2016 - World Environment Day by organizing a walk for a cause near Fatehsagar Lake .
- The main aim to carry out the walk was to create awareness amongst local crowd to protect the environment by walking at Fatehsagar lake with banners and slogans.
- The team members wore green outfits and participated in campaign held by local forest department at Fatehsagar Lake. World Environment Day stickers were distributed on behalf of the Hotel to local crowd in support of the activity.
- Team members from all departments actively participated in the noble cause and the local people appreciated efforts of the team in raising awareness on ways to contribute our bit to the environment in keeping it safe for our future generations.

Sapling Plantation

“The best time to plant a tree was 20 years ago. The second best time is NOW!”

- A sapling plantation drive was conducted at the Udaivilas premises by team members with the support of Horticulture team.
- The team members got the opportunity to plant various plants and trees in various gardens of the Hotel .
- Everyone felt content in contributing their bit to move towards a greener environment .
- Team Horticulture provided their support by arranging for saplings and trees for one and all .

Video Clips at Suryavanshi Café

“The key to a greener planet is in your hands.”

- To create awareness amongst team members on Environment conservation video clips were played in Suryavanshi cafeteria.
- The idea was to be able to spread the noble message of contributing our bit to protect the environment to maximum team members.

Face painting and Slogan competition

- A face painting and slogan making competition was organized at Suryavanshi cafeteria where all team members were requested to use their creativity in displaying their message of Environment conservation.
- Teams came up with great ideas and expressed their views brilliantly.
- The best slogan was- “Let’s go green, to make our globe green.”

World Environment Day Celebrations at The Trident Agra

- The day started with a "Green Walk" along with The Oberoi, Amarvilas at 7:30am.
- Team Trident, Agra along with team Amarvilas jointly participated in a green walk from The Oberoi, Amarvilas till the "Taj Nature walk". Team members with their respective managers came forward for the sapling plantation drive.
- Local police authorities along with Agra tourism guild committee members also participated in the event.
- Post plantation drive at Taj Nature walk, team members gathered at Trident, Agra for sapling plantation at the Hotel. As a gesture, senior team members of the hotel were invited for the plantation along with General Manger and a few guests.
- In the evening at 3:00pm, poster competition on "GO GREEN" theme was held. As a part of competition, departments were requested to portray their message and thoughts on "GO GREEN". All the departments actively participated in the competition and winning team was awarded.
- In addition to the above activities, we focused on encouraging awareness and action for the protection of our environment by ensuring our team members vehicle and Hotel cars are following "The law on Pollution under Control (PUC) in India". With the help of RTO, Agra we managed to station Pollution checking Van at the hotel team entrance. Pollution testing and issuing of PUC certificate at the hotel was organized for all the employees and AVIS cars as well (Free of cost). We also got contracted for organizing "Free Pollution check" every 6 month for our team members.

Employee two/four wheeler Pollution check and Certification

Environment Day

On 5th June which is observed as World Environment Day, the team at Trident Udaipur did a green walk in the hotel to spread awareness and also to understand the nature better we had our horticulture team member to talk about the trees in the hotel.

The hotel did 80 sapling plantations to add more trees to the nature.

Awareness in Cafeteria

We had also organised a stall of organic items of day today use in the team dining rooms by Banyan Roots, a company which has been working towards bringing the dream of sustainable farming to reality. The use of old lost ingredients to prepare organic food items like Biscuits, juices, sugar etc.

The owner of Banyan Roots also, spread awareness to the team about sustainable farming and the benefits of using the organic products which does not have any chemical.
