

## THE IMPERIAL SUPPORTED WORLD HAND HYGIENE DAY WITH HAI

**5<sup>TH</sup> May 2017:** The Imperial New Delhi joined hands with *Hotel Association of India (HAI)* to support '**Save Lives- Clean your hands**', the theme of this year's *World Hand Hygiene Day by World Health Organization (WHO)*. The theme of the day aligns with

the aim of the Health Quality to reduce healthcare associated infections and prevent the spread of antibiotic resistance microorganisms within health settings. Good hand hygiene is integral to building strong, resilient health systems for whatever situation arises.

To make the associates and guests abreast about the importance of Hand Hygiene and to create substantial awareness, we conducted the following activities:

- *Screened a short film on the importance of hand hygiene in the employee cafeteria*
- *Displayed responsive posters with the messages '**Save Lives- Clean your hands**' across departments to promote the theme*
- *Organized a poster making and slogan writing competition for employees to highlight the key message amidst guests: **Save Lives- Clean your hands**'*
- *An easy to use hand sanitizer was gifted to all the associates to keep their hands clean and to stay away from disease causing germs*
- *A special alert session on Hand Hygiene for prevention of infections was conducted by The Imperial security team for drivers, handling airport transfers for guests*
- *Posters on Hand hygiene adapted as leaflets in Hindi and English were sent to the residence of employees to create consciousness and instill action amongst family members*

"The Imperial New Delhi takes pride in joining hands with HAI whole supporting WHO theme, again this year for promoting World Hand Hygiene Day-'**Save Lives, Clean your hands**'. I believe all good things start from the grass root level and it is extremely

important to promote initiatives which are vital for a healthy lifestyle, especially when we are operating in the service industry. It's time to understand, encourage and spread awareness that perfectly clean hands are the most effective way and the first step to

stay away from antibiotic resistant infections and be healthy. Like last year, this year too, we had organized focused activities to emphasize on keeping hand hygiene at all times and shall continue to do so in near future to make our country *aware, safe and healthy*", said **Vijay Wanchoo -Sr. Executive VP & GM, The Imperial New Delhi**

HAI intends to create awareness among the local communities, schools, orphanages, public institutions, guests, visitors and employees of hotels and the people who handle food and spread the importance of washing hands with soap and water or using a hand sanitizer as the simplest and most cost-effective way of promoting community well-being through prevention of respiratory illnesses, common cold, influenza and other infections.

- USE TISSUE WHEN SNEEZING
- CLEAN HAND AND STOP DRIVING
- USE ALL TISSUE PUT IN A DUST BIN
- WASH HAND AFTER TOILET
- USE CLEAN HANDS
- USE ALWAYS CLEAN TISSUE

GODLINESS

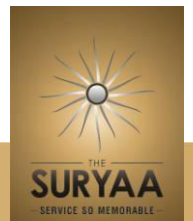

THE SURYAA, NEW DELHI  
CELEBRATING HAND HYGIENE DAY  
05TH MAY, 2017

S

Washing your hands properly is one of the most important things you can do to help prevent and control the spread of many illnesses. Good hand hygiene will reduce the risk of things like flu, food poisoning and healthcare associated infections being passed from person to person.

CARING SO MEMORABLE

The Suryaa, New Friends Colony, New Delhi - 110025 • Tel: +91 11 2683 5070, 4780 8080 • Web: [www.thesuryaa.com](http://www.thesuryaa.com)

# The Suryaa conducted the following activities:

- Displayed posters with awareness messages **MAKE HAND HYGIENE a Practice in all kitchens.**
- A flex poster with the message *cleanliness is godliness* was displayed at the employee cafeteria on the importance of hand washing.
- Practical Demonstration was given to all food handlers on seven steps hand washing

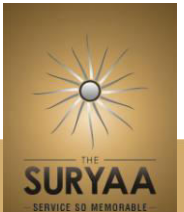

**during first half of the Day.**

•Suryaa Hotel teamed up with local NGO Save The Childern to educate underprivileged youth during second half of the day.

•120 children between the ages of 6 and 12 were taught the seven steps hand washing, shown small films on the importance of hand washing, Hand washing poster and coloring competitions were also conducted. Soaps were distributed , Hand washing song SAAF HATHOAN MAI HAI DUM, AKKAR BAKKAR BAMBE BO SABSE PAHLE HAATH DHO-----

was taught to children to encourage scrubbing of hands for 20 seconds. At the end, all children pledged to clean their hands by putting painted hand prints of clean hands on a sheet.

**Hand Hygiène Day**  
**2017**

# Hand Hygiene Day

---

Every year on May 5th, the World Health Organization (WHO) send out their annual call to action to increase awareness and instances of effective hand hygiene. This year the campaign theme is 'Fight antibiotic resistance - it's in your hands.'

This theme brings to light the need for a greater focus on hand hygiene and infection prevention and control programs in the on-going global battle against antibiotic resistance.

We at Novotel Mumbai Juhu Beach celebrated the **Hand Hygiene Day** on 5<sup>th</sup> May 2017 and also partnered with In-house banquet guests and NGO to spread the awareness.
