

# **10<sup>th</sup> HAI Hand Hygiene Day, 2024**

## External efforts to spread awareness

Team members from The Oberoi, New Delhi, visited children at the **NGO Join Together**. The children participated in a program hosted by Mr. Manoj Dubey, the hygiene manager at the hotel, where they learned about proper hand cleaning techniques and the importance of personal hygiene. Hand sanitizers, liquid soap solutions, and refreshments were distributed to the children.

## Preventative measures for our employees

The hotel facilitated a hygiene session by **Diversey India**, which included an informative seminar on hand hygiene systems and a booth for checking hand germs for team members, with a particular focus on those who are food handlers and operate tourist vehicles.

## Internal efforts to spread awareness

All the employees in the hotel were encouraged to create and share posters to raise awareness on Hand Hygiene Day, along with suggesting innovative practices aimed at preventing respiratory illnesses, common colds, and other infections.

## **Hand Hygiene Day At The Oberoi Rajvilas**

Hand Hygiene Day is crucial as it raises awareness about the importance of Handwashing in preventing the spread of infections. It emphasises the significance of simple actions like handwashing in maintaining public health and hygiene.

The Oberoi Rajvilas celebrated Hand hygiene day with flair and creativity. Employees from all the departments participated in a lively poster making competition, showcasing their artistic talent and spreading awareness about cleanliness.

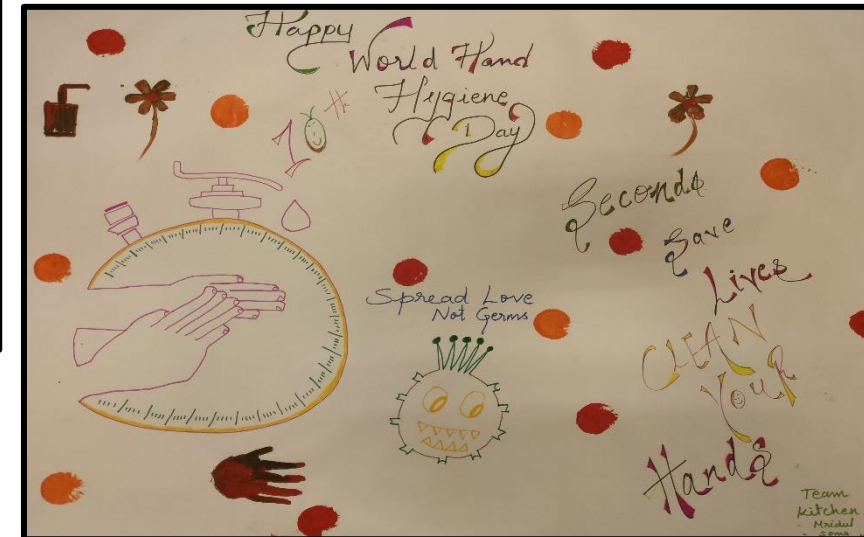

# 10<sup>th</sup> HAI Hand Hygiene Day

It fostered a strong sense of teamwork and bonding between the colleagues. The posters were vibrant with colourful designs and powerful messages which served as a visual testament to hotel's commitment to promoting hand hygiene.

There was enthusiastic participation of five participants from each departments. Overall the event was a good opportunity to reiterate the importance of hand hygiene, leaving a lasting impression on all who attended and reinforcing the crucial message of maintaining clean hands for better health outcomes.

## **Hygiene Awareness Day Celebrations at Trident, Hyderabad**

Promoting health and well-being is one of the ways to achieve the best hygiene. The Hand Hygiene Day celebrated on the 5th of May, serves as a reminder of the significance of personal hygiene, environmental hygiene, and sanitation practices. At Trident, Hyderabad, we organized various fun-filled awareness activities:-

### **Hygiene Awareness Session**

Our very experienced Chief Kitchen Stewarding Manager, Mr Raju, conducted an awareness session highlighting the hotel's best hygiene practices. To make it participative, team members were encouraged to contribute to the session, which was followed by a quiz to learn the proper methods of washing hands, sanitising, following immaculate grooming standards, and inspiring others to do

# **Cleanliness Awareness:**

Cleanliness is an integral part of our basic need for a healthy life. Overall, cleanliness is not merely a matter of aesthetics but a fundamental aspect of a healthy and thriving society. By prioritising cleanliness at individual and team levels, we can create safer, healthier, and more sustainable communities for everyone. A cleanliness and deep cleaning drive was conducted in lesser utilised areas of the Kitchen, which focused on training the team on the proper methods, considering safety and hygiene as prime objects.

## **Poster-Making Competition:**

Trident, Hyderabad, encouraged the creativity of its team members and organised an inter-departmental poster-making competition. The theme for this poster-making competition was "Hygiene Awareness through hand washing", and teams came up with the best of their creativity and shared their world of fantastic imagination. The best posters were given prizes, and all the posters were displayed in the Team's Café!
