# Awareness Session for Employees

The team was given a brief informative session about all the activities for 26<sup>th</sup> HAI Environment Day to maximise the participation and highlighted the significance of how one's social, natural and built environments affects health and well-being of a community.

# Displays & Posters for Awareness

Created posters for displays at all the Notice Boards and Café-Tab to spread the awareness.

# Green Slogan & Poster making Competition

As part of the initiative the team came together to participate for Green Slogan & Poster making competition.

# Sapling Plantation Drive

A plantation drive at Prathamik Vidhyalay, Nagla Nala was organized where the team have volunteered and planted 50+ saplings. The importance of World Environment Day was imparted to the school kids/farmers.

# Screening of Documentaries

Documentary on How to take care of our environment was been displayed at Café-Tab during Lunch time for the team.

# Interdepartmental Competition on Best out of waste

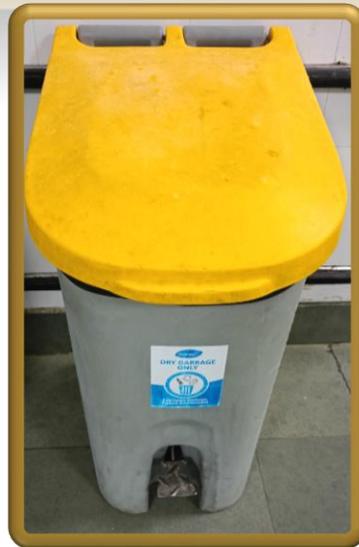

Flower pot planter, show pieces and plastic flowers were made by team showcasing the spirit of “Best out of waste”.

# Interdepartmental Competition on Best out of waste

The team was given recipes via a live show on how to make Watermelon Skin Curry, Ripe Jackfruit Seed Curry & Potato skin Chips.

# Interdepartmental Training

The team was given training about Types of Bins for Garbage Segregation .

# No Bin Month at Café-Tab

Initiation of No Bin Month campaign at employee restaurant to minimize the wastage and enhance the importance of food which was admired and valued by the team.

Thank You!
