

20th HAI WORLD ENVIRONMENT DAY CELEBRATIONS THE LEELA PALACE , NEW DELHI

The Leela Palace New Delhi took the following initiatives to celebrate HAI World Environment Day on the 5th of June 2017:

➤ Tree Plantation after the morning meeting:

All Executive Committee Members and Heads Of Departments were invited to the banquet porch for sapling plantation.

➤ Morning tea at Palace Cafe:

Recycled paper was used for the posters.
To save electricity, lights were switched off. The café was lit up using candles.

➤ Evening tea at Palace Café:

❖ Photography Contest

A week in advance, all staff members were invited to send in a picture depicting their perception of "save environment". These photos were then displayed during the evening tea break for all to view. The winner of this contest was gifted a plant.

❖ Environment Quiz:

A quiz session was conducted with the staff members, wherein questions about the environment were asked.

Some glimpses of the Event follow.
