

WORLD ENVIRONMENT DAY

World Environment Day was celebrated by Taj Mahal, New Delhi on Sunday, June 5, 2022. A Plantation Drive was held where employees and volunteers were invited to plant saplings along the periphery of our hotel. We are committed to save the environment and honoured the day by urging each attendee to plant one sapling and successfully planted 1000 plants. We observed the day keeping in mind the theme of this year's World Environment Day - "Only One Earth" and hope to keep organising such events in the days to come.
