**Celebrated on 5<sup>th</sup> June 2024**

---

## **Significance**

World Environment Day (WED) was observed on 5<sup>th</sup> June at Lemon Tree.

It was done to promote awareness on:

- The importance of preserving our environment and biodiversity
- To identify problems related to the environment and find ways to take corrective action.

# 2024 Theme: Ecosystem Restoration

---

We conducted the following two activities:

1. Planting of saplings.
2. Employee poster making competition on Environment Restoration.
