

**On 5<sup>th</sup> May 2022 hand hygiene day was observed with fervor and responsiveness by taking initiative in creating awareness amongst all staff members.**

Team Clarks Shiraz Agra (Senior Managers & Staff), took it as a cause to inculcate the practice of washing hands safely in terms of hygiene & cleanliness.

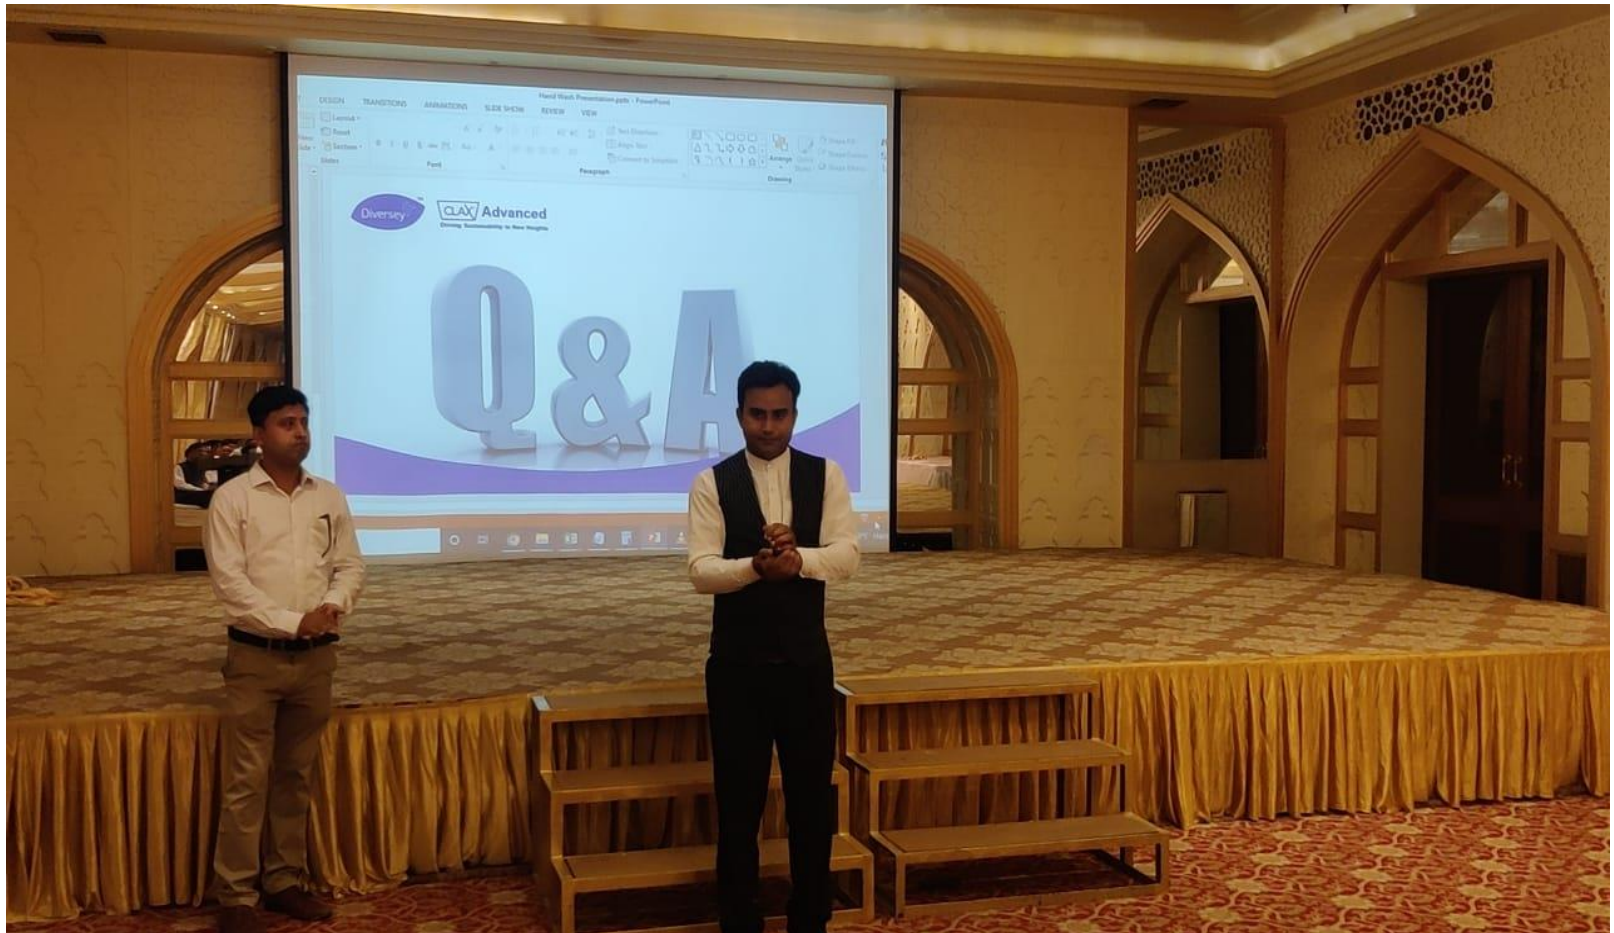

The purpose of hand hygiene, infection prevention and health for all truly meets the slogan

**“CLEAN, CARE FOR ALL, ITS IN YOUR HANDS”.**

The staff participated with keen interest, understanding the very objective of this initiative in cleaning their hands systematically and safely so as to keep themselves and everyone else healthy all times

**Thank You**
