

22ND HAI World Environment Day - 5 June 2019 at The Imperial, New Delhi.

To promote and to create awareness for the conservation of the fragile Environment, The Imperial, New Delhi conducted the following activities in the hotel to celebrate the 22nd HAI World Environment Day on 5th June 2019:

- **'RIDE FOR GREEN'** an initiative by The Imperial, New Delhi was undertaken for the first time on occasion of World Environment Day. A cycle rally with associates and guests was organized to highlight alternative means to combat air pollution in alignment with the global messaging
- Room Screen alert for the guests urging them to participate in the cycle rally and highlighting the importance of adopting greener practices
- A floral installation art in the lobby was created by our flower team to promote the significance and contribution of indoor plants to purify the quality of air inside homes
- Planters were gifted to guests on World Environment Day to spread awareness on the ways to better the air quality in their homes, via indoor plants
- Displayed responsive poster with the message **"BEAT AIR POLLUTION"** across departments to promote *United Nation's theme* for the same
- Organized a poster making and slogan writing competition for employees to highlight the key message. Posters made by the hotel associates were displayed in the guest areas to highlight the hotel's efforts to raise awareness about World Environment Day
- The Imperial continues to practice its pledge to #GiveUp plastic by reducing its usage and by segregating plastic waste for recycling into T-shirts, to Beat Plastic Pollution
- Posters in back of the house areas and lobby areas were placed for maximum outreach
- All in-house activities were promoted on the hotel's official social media platforms

Some pictures of the cycle rally, poster competition and some in-house collaterals poster along with the press release have been placed below.

The Hotel is proud to be a part of this initiative of HOTEL ASSOCIATION OF INDIA (HAI).

Regards

The Suryaa, New Delhi celebrated WORLD ENVIRONMENT DAY on 5th June 2019 on THEME ' AIR POLLUTION '.

- We organized a Green Vehicle competition. Surprise checks were done of incoming vehicles for their pollution control check certificate and validity. General Manager, Mr. Dhananjay Kumar awarded winners of the 'Green Vehicle' competition with ecofriendly planters.

- *Associates were briefed to control Air Pollution by carpooling and undertaking timely pollution control certification of vehicles.*
- *In our endeavour to Go Green, Bonsai making from waste, green coconut shells was imparted to staff.*
